

“Make Parenting a Pleasure”

Network with other parents!

Share ideas & concerns about:

- Child development and behavior
- Enriching your family life
- Learning positive discipline tools
- Communication
- Helping your children succeed in school

For parents, grandparents, and caregivers of children 0-8 years.

Learn ways to get kids to cooperate at home and in school! “Make Parenting a Pleasure” presents a positive approach where yelling, nagging, and pleading aren’t necessary and parenting becomes much easier, more enjoyable, and more effective.
