

SUMMER PROGRAM 2011

columbia gorge
arts in education

&

Will be hosting an amazing Summer Program
11 Weeks of Art

Columbia Gorge Arts in Education and Bambinos are partnering together to offer an incredible children's summer program featuring 11 of the most talented local artists.

MOSAIC WITH SHELLY TOON HIGH

Each week will be lead by a different artist. Children will be able to explore and actively participate in many different forms of art,

from Japanese drumming to painting, glass works, theater, bucket drumming, mosaic and many other activities.

These camps are designed for children from 3 to 12 years of age. Each age group will have their own classroom and age appropriate activities.

Enclosed is the complete list of artist and activities.

These art camps will run from 9:00am—1:00pm. We will also have many other fun and creative activities in the afternoons including field trips, swimming, cooking, bouncing in the bouncy house, ect.

Out & About

New

During this 11 week program children will explore the Gorge by hiking, cooking, visiting historic sites, swimming, biking, field trips to Portland (Zoo, OMSI, etc.). In this unique camp, the group of children will have a leader that will take them from the center at 9:00am and will bring them back at 3:00pm.

They will be *OUT and About* the entire day. They will also have the option to participate in some of the art classes if they are interested.

Children ages 6 to 11 years of age will be able to participate in this camp on a daily or weekly basis. Limited to 10 children!!

\$225.00 per week OR \$50.00 per day. Additional fees may apply for entries to museums and transportation to Portland.
